Sub:- Suggestion in respective minutes of meeting in regard with posting of executives in Outdoor - Reg

Ref:- Lr.No. GMM STR CNI/E-11/2014/15/7 dated at Chennai-1, the 5/7/2014

Respected Sir,

The following points may please be clarified and suggestions may be considered before taking final decision in respect of local policy for posting of executives in outdoor division.

Point 2: Two separate lists for SDE and JTO who have worked in the outdoor and not worked in outdoor unit in the executive cadre have to be prepared in the order of long stay.

It is suggested to have a Common List for both SDE and JTO's since most of the JTO's have given SDE responsibility (ex: drawing Temp Advance), JTO's having more than 3 years' experience are given SDE (Look-on) and the most of Circle level Transfer posting orders, SDE replace JTO as well as JTO replace SDE.

Hence a common list may be considered.

Point 3: The stay should be clubbed for all units at the same place with same HRA

A small town in a particular SSA, where only one SDE/JTO available for both outdoor & indoor station and no alternate executive for rotation which is having less HRA compare to SSA Headquarters.

Hence it is suggested to have to list for DE Headquarters/ SSA Headquarters level so as to include the executives in small town in local rotational outdoor policy in order to motivate them and to avoid more transfer request for DE Headquarters/ SSA Headquarters.

Thanking You,

Yours sincerely,

Sd/..
